

## Why Families Trust Innovative Senior Home Care:

- Carefully vetted caregivers
- Transparent communication with families
- Flexible hourly care, including short shifts
- Paid caregiver training & oversight
- We coordinate with wealth managers & care teams
- Experience with long-term care insurance
- 

We believe in aging with dignity, connection, and peace of mind.

## Licensed Care That Works with Your LTC Insurance

Innovative Senior Home Care is a licensed, insured agency, which brings peace of mind and financial relief through:  
Reimbursement Through LTC Insurance

Most long-term care policies require home care services to be:

- Provided by a licensed agency
- Supervised by a trained care coordinator
- Documented with detailed care notes and invoices

We meet all those requirements — helping families access the benefits they've paid into for years.

### We handle the paperwork!

- Easier access to policy payouts
- Fewer out-of-pocket surprises
- Confidence that your care is covered
- A compliant partner advocating for your needs
